Dear Sir and Friend,

It is indeed very kind of you to have thought of me as you only know me through my father and I wish to thank you most heartily for the magnificient gift of $100. you have made me.

I am going to employ it in a way I believe to be fairly wise I shall buy a $50. Liberty

Bond and the balance
I shall spend for camping
outfits as I am leaving
very soon for Camp
Lagamore where I
shall remain for two
months living there
the life of the Wilder-
ness.

I again wish
to assure you of my
gratitude remaining
with best wishes,

Yours sincerely

Robert Richling
