Dear Sir:

On behalf of the University Library I wish to acknowledge with thanks your gift of the publication, LA VIDA RURAL URUGUAYA (Publicación No. 1 del Departamento de Sociología Rural), which we were most pleased to receive.

This publication is an important addition to our collection of official Uruguayan publications and also to our collection of sociological material.

We are most grateful for your kindness and generosity in providing us with this volume, and trust that our name may remain on your mailing list for a complimentary copy of any issues published since No. 1.

Sincerely yours,

Herbert K. Ahn,  
Foreign Documents Librarian,  
Government Publications Room.
