ALL COMMUNICATIONS TO THE SECRETARY.

Mont 23rd 1926

Dear Mr. Figari

So many thanks for the most interesting journal with reproductions of your father's work; the director has requested me to ask you if you could possibly procure five more copies of the journal at our expense and let us have them as soon as possible? They will be most valuable in arousing interest in Mr. Figari's work before the exhibition opens.

Yours faithfully
B. Scrutton
(secretary)
