FRAMED SPIES OR VANISHING RACE?

LONDON, MARCH 69 (OTNS).-

SHADOWS OF A DOUBT HAVE BEEN CAST WHETHER THESE TWO GENTLEMEN (OF VERANO?) ARE IN FACT PLUGASTEL & FENOLLOSA, FAMOUS SPIES OF YESTERYEAR+ SAFELY FRAMED BY THEIR OWN WINDOW, THE PAIR WERE CAUGHT OGGLING THE BRITISH BIRDS PARADING DOWN GLOUCESTER ROAD WHILE PRETENDING TO BE ENGAGED ON CLOSELY WATCHING THE BUILDING ACROSS THE STREET (THE LUCY CLAY IN HQ IN SW7), CLEARLY SEEN HERE REFLECTED ON THE WINDOWPANE++

(PLEASE NOTE HOW THE MAN ON THE LEFT (PLUGASTEL?) IS SHAMELESSLY FONDLING THE GUN HE ALWAYS CARRIES IN HIS COAT POCKET, S&W COCKED, FINGER ON THE TRIGGER AND HAND AT THE READY+ THE OTHER MAN (FENOLLOSA? OR PERHAPS PLUGASTEL) SQUARELY REFUSES EVEN TO ACKNOWLEDGE THE PRESENCE OF OUR PHOTOGRAPHER, AN INDISCREET DAREDEVIL IF THERE IS ONE++)

BOTH MEN (IF THEY ARE FENOLLOSA & PLUGASTEL) ARE BELIEVED TO BELONG TO --GOOD SPEED THEM!--A VANISHING RACE--THE SPY WHO DEFIES EXPOSURE (EVEN A DOUBLE EXPOSURE) AND/OR THE ENGLISH GHOST AS A SHY ALIEN+ BUT IF THEIR RACE IS NOT VANISHING THESE SPECIMEN DEFINITELY ARE--AT LEAST IN OUR PHOTO+++
