

MARCHA - A - LA

ESCUELA

«BETESDA»

Letra de Eugenia Scarone

Música de Estela Sanguermano

Handwritten musical score on aged paper, featuring six systems of music. Each system consists of a vocal line (treble clef) and a piano accompaniment line (bass clef). The lyrics are in Spanish and describe a school scene.

System 1: The vocal line begins with the word "ESTE" written above the staff. The piano accompaniment features a steady eighth-note pattern.

System 2: The lyrics are "BER - FORMAREMOS Y ASÍ CANTAREMOS -- DANDO GRACIAS MILES GRACIAS". The vocal line has a melodic contour that rises and then falls.

System 3: The lyrics are "RECIBIENDO AL LICEAL O ESCOLAR --- TODOS TODOS LOS NIÑOS QUE SIENTAN". The piano accompaniment has a more active, rhythmic pattern.

System 4: The lyrics are "RAMOS EN TI AL MAESTRO --- Y AL SENTIR LA CAMPANA SONAR ---". The vocal line features a long, sustained note in the final measure.

System 5: The lyrics are "DIAR A ESTUDIAR A ESTUDIAR" followed by a repeat sign and "TU ESTAS 2º vez TODOS TODOS LOS NIÑOS". The piano accompaniment includes some triplet figures.

System 6: The lyrics are "GUAY". The system concludes with a double bar line. The piano accompaniment features triplet figures in the final measures.

NTD - AMADA BETESDA - ES EL TIERNO HOMENAJE - AL SA

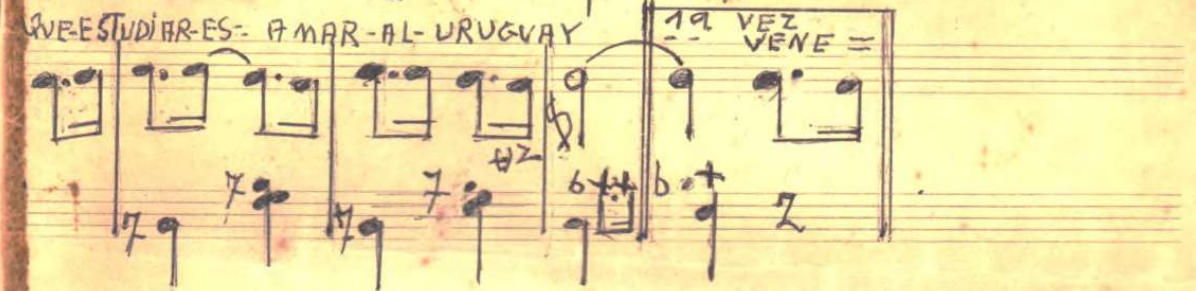

FE - - TU ESTÁS SIEMPRE - - VESTIDA DE FIESTA

QUE ESTUDIAR ES - AMAR AL URUGVAY

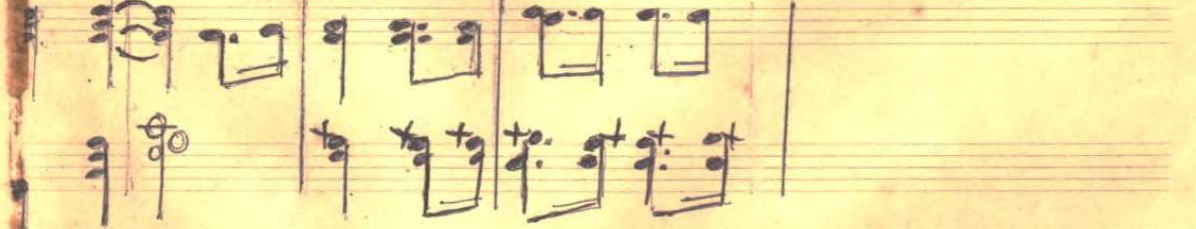

1ª VEZ VENE -

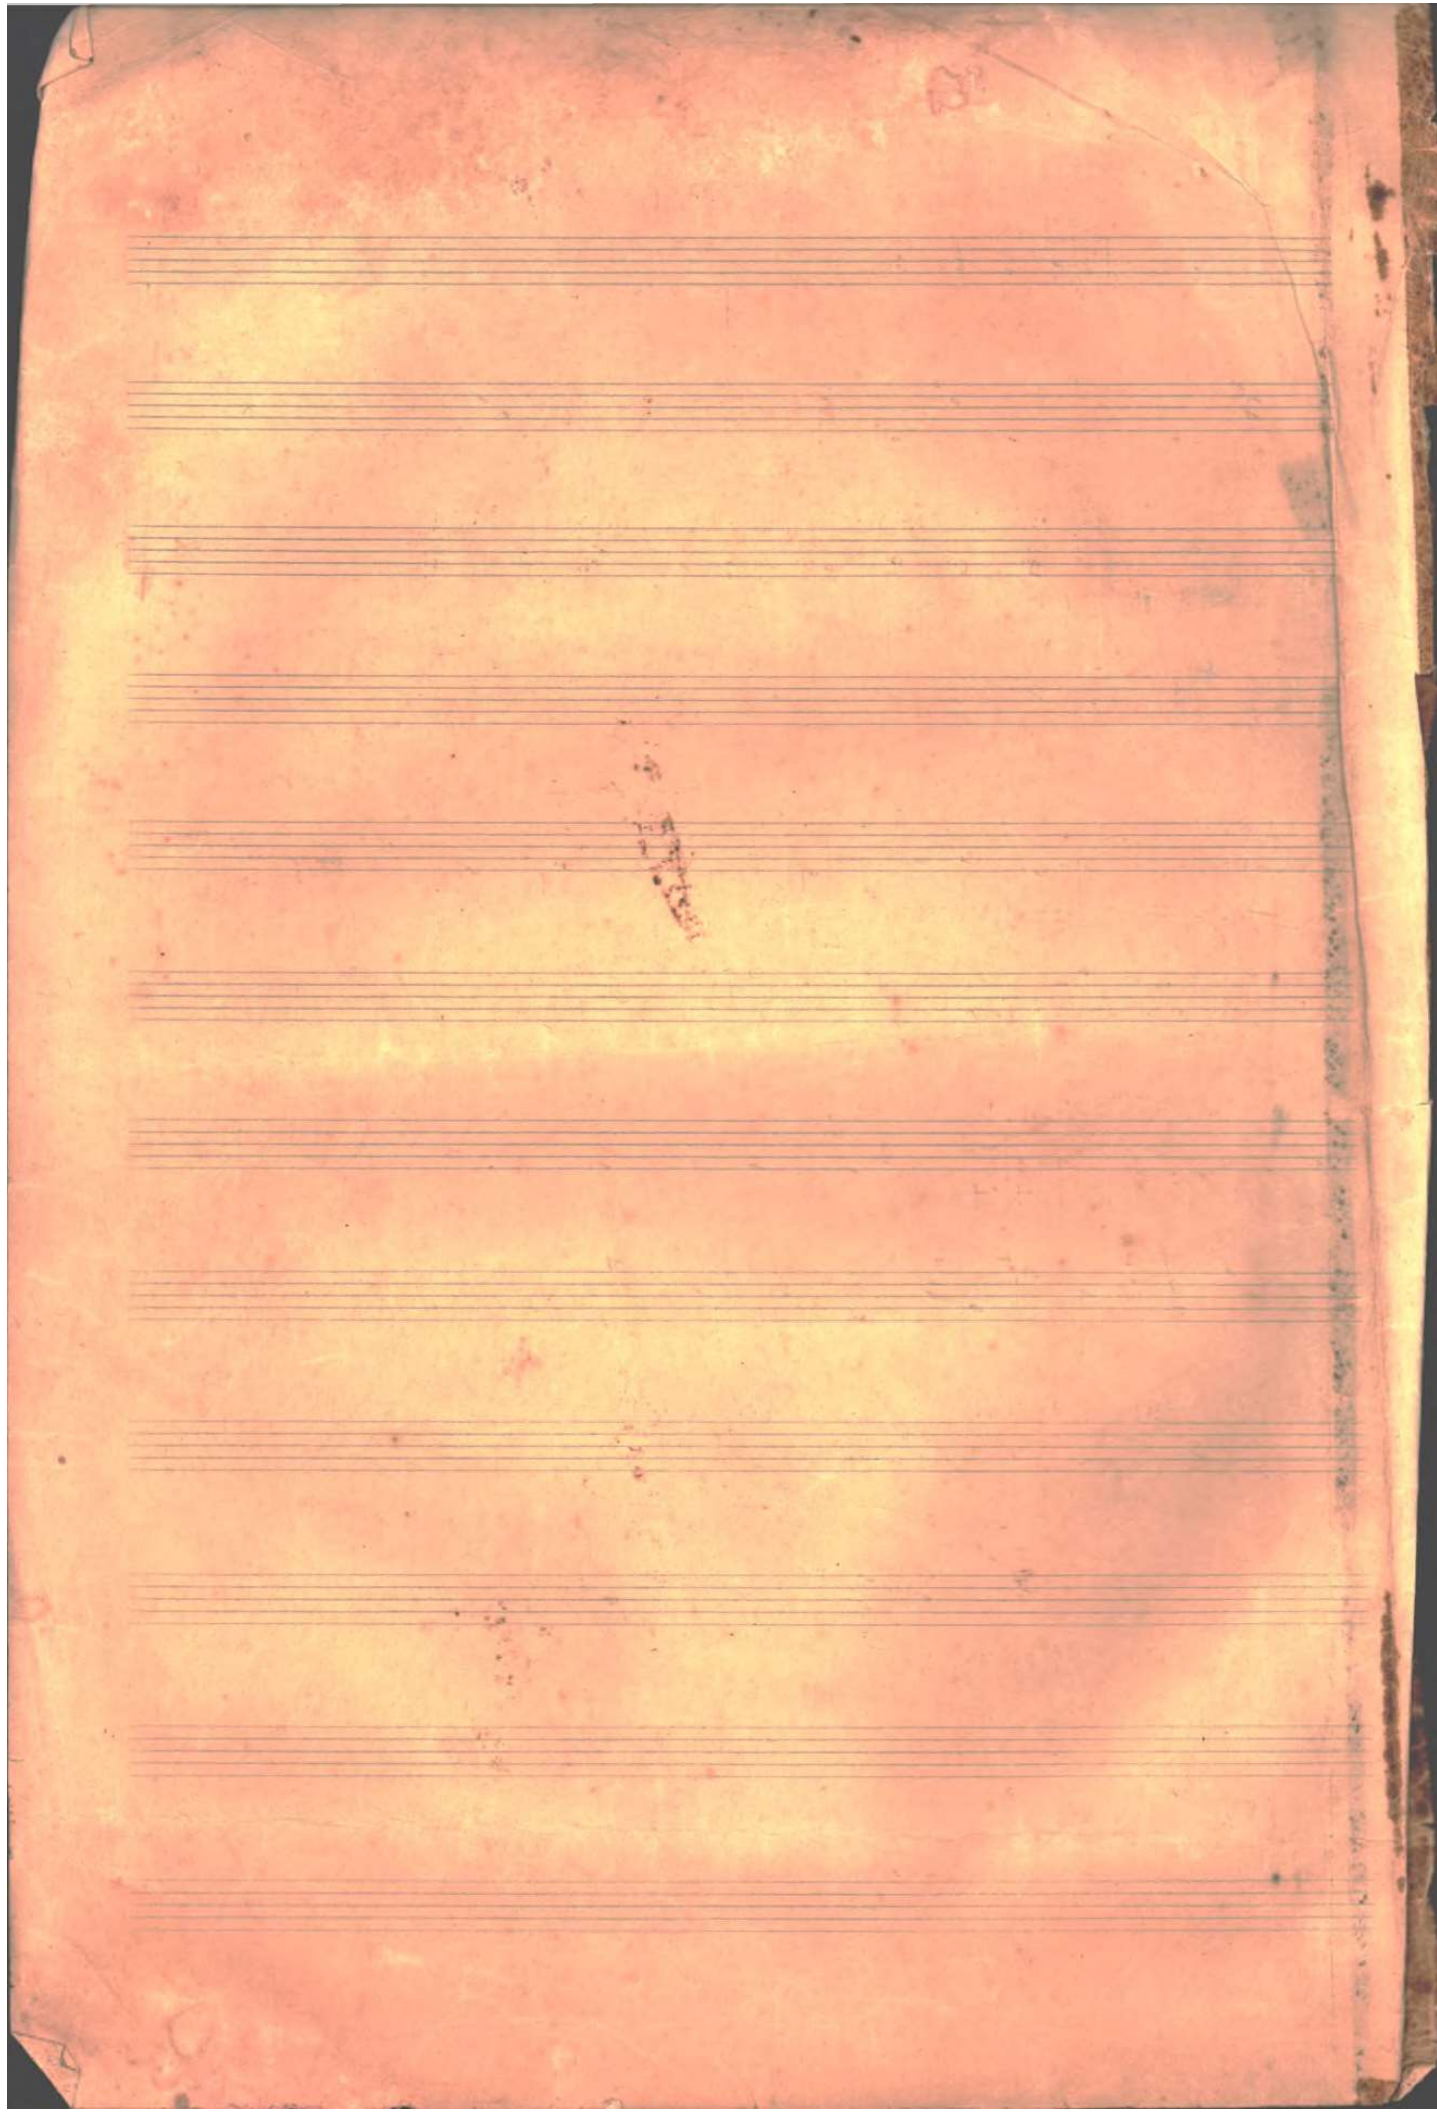

ALEGRES MARCHAMOS - A DENTRO - - - A ESTU -

IENTAN - QUE ESTUDIAR ES - AMAR AL URU -

Marcha a la escuela

Betesda

Este canto amado Bethesda
es el tierno homenaje al saber
formaremos y así cantaremos
dando gracias mil gracias con fe'

Tu estas siempre vestida de fiesta
recibiendo al liceal o escolar
todos, todos los niños que sientan
que aprender es amar al Uruguay

Veneramos en ti al maestro
y al sentir la campana sonar
muy alegres marchamos adentro
a estudiar, a estudiar, a estudiar

Tu estas siempre vestida de fiesta
recibiendo al liceal, o escolar
todos, todos los niños que sientan
que aprender es amar al Uruguay

Eugenia Scarone de Lauria

Chlorine in an unstable

State

It is a very unstable substance
and it is very dangerous to handle
it in a laboratory.
