The Intercontinental Railway from Minatitlán, Mexico, to a connection with the Brazilian and Argentine systems will comprise about 5,000 miles. Two years will be occupied in making the preliminary survey, and probably a year more to settle the permanent way. The Daimio's Daughter. (A STORY.)

(Continued)

Kirino's permission for Tempest to travel two or three days with the troops was readily given, and almost immediately everyone proceeded with preparations for departure.

The next morning the Daimio's troops were in motion. In front were footmen armed with bows and a lance or sword. Then came the national flag, and behind it fluttered the Daimio's own banner, which had a black ground, with a yellow disc enclosing a mulberry branch.

She: «Why do you call me honey, Charlie?» He: «Because you are so full of little sells.»

CHAPTER III. Kirino was too much occupied during the march to notice that Tempest was habitually beside the woman which carried his daughter and one of her maids, but Hemsworth did, and he hourly grew more and more angry.

Soon after nightfall the Daimio's camp was in a state of turmoil. Under the cover of darkness men were deserting in hundreds, and one or two who had been brought back confessed that they had received money in order to leave Kirino.

«Take them away and crucify them on the high-road,» said Kirino; and when I find the treacherous tempters, may the god of vengeance aid me to pay what I owe them! Come, Silas Hemsworth, we and my council shall talk on the matter.»

«Lady, here is the idjin san.» «The foreign gentleman» sat up as O'Hime bending over him asked «Where is your bag?»

«Rise and go away as speedily as possible.» «Leave you, perhaps never to see you again!» «The chiefs have decided on your death as a spy, and an hour hence it may be too late to save yourself. Oh! Godfrey Tempest, do not hesitate! I should never survive the horror of your execution, and mainly through my father's means!»

«A spy! It is absurd! I shall not run away, and thus proclaim my guilt.» «Then you will die!» O'Hime exclaimed, wringing her hands.

«I take an assurance of your love with me, and a promise that we shall meet again, as soon as events permit us.» «Our ways must lie apart, dear friend. If our arms be successful, I am to wed my father's ally, Silas Hemsworth, who has lent him such great aid; and if unsuccessful, Kirino

has vowed to take the dark path, and his daughter will not survive him. Perhaps, Godfrey, we may chance to meet on the summit of Shide Hill, which all must ascend, whether seeking Buddha's bosom or the throne of the Christian's God.»

«Yes, you may. I shall be glad—oh, so glad!» she said, bursting into tears, «to see you again, if only for a little while.» (To be continued.)

«She soon will be; and I advise you, my good youth, not to cross Silas Hemsworth's path. Go in peace; go, if you value your safety!»
